

EMMANUEL CHRISTIAN SCHOOL

PARENT ELECTION: TRIENNIAL 2022
There are 3 candidates and 2 vacancies.

Warren Rosser

My name is Warren Rosser and I have been a parent at Emmanuel for the last three years. We have two sons who are both at the school – Samuel in Year 8 and Levi in Year 5.

Our family has been involved with Revolution Church since we moved to Christchurch in late 2019. My wife Rachael has been leading the kids and intermediate programmes until recently and I've been looking after the technical team. Our involvement in our church community is really important to our family. We are both Pastor's Kids so

being in church community is in our DNA. We are passionate about Christ being part of every sphere of life.

I have prior governance experience in school BOTs, two years as a member of the Otago Bible in Schools regional board as well as a church governance role. I'm keen to continue contributing through governance as I'm someone who thinks strategically and with a long term-view in mind.

My career background is in communications, with experience in marketing, social media and managing public profile. I'm someone who is often looked to as a team member with consistency and calm, and who can approach challenging situations in an objective way.

I'm passionate about people and excited about the opportunity to make a difference in our school community. I'm interested in ensuring everyone has the opportunity to learn, to grow and to reach their potential. As a school parent I will focus on ensuring we create an environment to support our teachers so they can provide growth opportunities for our children.

Natalie Sterne

I am married to Tim, and mother to 3 children, all who are currently at Emmanuel Christian school. We attend Latimer church, where I serve in a range of capacities, including kids ministry.

I am an experienced secondary teacher with a passion for physical education and sports. I am interested in seeing if we can develop

the physical education and sports programmes within the school.

John Hastie

Hi. My name is John Hastie. I am married to Tracey. We have four+ kids including two adult children, who stayed behind in Bolivia when we returned in 2012/13, and two gorgeous Bolivian girls – Daniela (Y10 – T3) and Cristina (Y9 – T5), and

a precious little granddaughter arriving from Bolivia with her parents in December and enrolled to start next April.

Whilst in Bolivia for 8+ years, and prior to leaving, we were Pastors in the Salvation Army and we now participate in God's work through the Iglesia de Cristo – Latin Church and the Papanui Baptist Church community. I have been working as Quality Manager in a Fire Retardant Company for the last few months and have worked in Metal factories since my return and we shifted to Christchurch (my home town) in January 2018.

I enjoy sports, family activities and being a part of a community. Until our shift, we have been foster carers both in NZ and in Bolivia.

I have a long term commitment towards the well-being of ECS as my girls have another 1.5 years here and my granddaughter will be just beginning. I believe it is important to be involved in the ECS BOT so that the school can continue to function to the glory of God.
