

<https://my.christchurchcitylibraries.com/>

Free membership to the Christchurch City Libraries! Joining is as easy as 1,2,3

1. Pick up a form from the Library or School Office (The Library will be open after school on Monday 12th and Wednesday 14th June next week). Or send me an email and I'll send one home with your child. One form for **each** family member.
2. Fill it out and return it to school. Please note you do not to send any verification of your contact details...we'll do that on your behalf. Please note ... even if you live outside the Christchurch City Council area (Rolleston, or Rangiora, for example), you may get a library card just because your children attends our school.
3. Once processed, you will received a named library card for each family member. This may be used online - or at your local City Libraries branch to borrow books, magazines, DVDs etc. No overdue fees!

Any questions, please ask me or pop into your nearest library where the librarians there are always happy to help. They run lots of programmes, too, including storytimes for pre-schoolers.

Check these out! Just two of the amazing online sites available free to members.

<https://www.tumblebooklibrary.com/home.aspx>

An online collection of animated books, teaching the joy of reading. Includes games, quizzes, videos and puzzles.

<https://my.christchurchcitylibraries.com/lote-storytime/>

Great for native speakers of languages other than English – see the huge number of languages represented here! There is an app available as well.

You just need to fill out a form!
