

EMMANUEL CHRISTIAN SCHOOL

"Kia rite ta koutou haere ki ta nga tamarii o te maraana"

"Walk as children of light"

Dear Parents,

As part of our Year 9 & 10 Economics programme students are starting up their own business enterprise. These businesses will be set up and run over three Tuesdays the 20th of August, the 3rd and 17th of September. The different groups will be selling foods such as pizza, hot chips, toasties, ice cream and more!

Below you will find an item and price list of goods, so that you can have a discussion with your child about what they may like to purchase and have an idea about what is an appropriate amount of money.

Some groups are also doing a pre-order form so they know how many items they need to purchase. These will then be delivered to their class at lunchtime, see the attached note for information on how to order these items.

On the days, we will be using cash (mainly coins please) to purchase items. Students money will be collected by their teachers in the morning, placed in a ziplock bag and then handed out just before lunch.

It will be collected up again after lunch (if there is any left) and returned at the end of the day. Please be mindful about how much money is given to students.

Thank you for your support
